Silver

Possible Applications: Health Institutions • Hospitals • Medical Offices • Dialysis Seating • Patient Consulting • Convalescence Facilities • Day Rooms • Lounges • Patient Rooms • State Park Lodgings

Optional with Electric Lift Mechanism

MAXIMA

Silver

Features & Benefits

- A heavy duty recliner designed for intensive use
- Gentle contours provide comfort during prolonged periods of sitting.
- Plywood frame provides rigid strength
- Wall hugger mechanism requires no clearance, saving valuable floor space
- Upholstered with durable, stain resistant vinyl for effortless disinfection and cleaning.
- Ideal for users with arthritis, hip or back conditions

Options:

- Flair Arms: a “beefier” arm for use in heavy-duty situations (medical areas, fire stations, etc)
- Optional electric lift mechanism raises user to standing position
- Removable back for easier cleaning
